We believe strongly that our retreats provide an incredible opportunity for students to encounter the love of Jesus Christ and build deep and lasting relationships with others within the church and so we do not want the financial burden of our retreats to be a barrier to the gospel. Therefore, the Student Ministry solicits contributions to a scholarship fund and will give aid as money is available. Scholarships are available to those who have a definite financial need, and are on a first-come, first-served basis.

**Return completed form ASAP to Rev. Andrew Mills, along with the registration slip for the retreat (Attached to the flyer for the retreat). The last date to request a scholarship is one week prior to the event. You will be notified of the decision by phone or email.**
